

InterContinental Resort Bali forges ahead

InterContinental Resort Bali's Club InterContinental is a "Resort within a Resort" that offers discerning travelers an exceptional standard of luxury and comfort. Upon landing in Bali, Club InterContinental guests are welcomed by a personal greeter who will assist them with immigration and customs procedures. Guests can also enjoy an air-conditioned lounge staffed by Club InterContinental hostesses and page boys, where they can relax in comfort enjoying cold towels and refreshments.

The fresh contemporary look of the exclusive Club InterContinental Lounge treats guests to an unprecedented level of service and hospitality 24-hours a day. The lounge has doubled its previous size and feature sleek furnishings in an uncluttered environment for discerning travelers' to relax and unwind in privacy away from the mainstream activity of the Resort. Possibly one of the best facilities for guests on the island, InterContinental Resort Bali's Club Lounge actually resemble an 'elite Haven within the Resort' and include an international standard library and a DVD library for guest entertainment. Further amenities also include indoor and outdoor relaxation areas and an extensive cocktail bar. Guests have access to the Club InterContinental which serves breakfast, high tea, evening cocktails and a late night supper of hot and cold snacks. A 24-hour special a la carte dining menu is also available as one of the many complimentary benefits for all Club InterContinental guests.

In a similar fashion, Club InterContinental Rooms have undergone a refurbishment and emerge as the Resort's ultimate accommodation types that is the very essence of luxury. Designed to accentuate light and space, these rooms are luxuriously appointed with a modern décor that provides all of the necessary up-to-date conveniences. To create an effortless enjoyment, the custom made bed is completed with a down blanket, a comforter and a crisp white duvet which is specially created to please the senses of discerning travelers. All Club InterContinental Rooms feature flat screen televisions with individual DVD players, an elegant bathroom with generous vanity stocked with extravagant Bulgari amenities and exclusive personalized stationery.

Specially designed with colors that warm the heart and textures that thrill the touch, guests can create their own world in complete privacy and true comfort. In addition, a spacious open terrace in ground floor rooms is the private haven to sun bath, relax and enjoy an outdoor private breakfast served by a butler.

A team of specially trained private butlers are on call around the clock exclusive for Club InterContinental guests to anticipate every guest need without intrusion while respecting guest's privacy. They provide an extraordinary level of service covering details such as wake-up calls, breakfast service, garment pressing, unpacking luggage upon arrival as well as assisting guests to pack prior to departure for their next destination.

General manager of InterContinental Resort Bali, Amadeo Zarzosa comments, "Club InterContinental captures the spirit of style and modern comfort; yet it is still respectful towards the rich culture of the island and its fine artistry. Bali still remains a premier leisure destination for travelers from around the world and I am confident that the charm and gracious hospitality of the island will continue to draw guests in the future and we look forward to welcoming them".
